

CRAFCO[®] INC
ATHLETIC SURFACES

SPORT COURTS

DELIVERING THE VERY BEST IN ATHLETIC SURFACE
MANUFACTURING AND INSTALLATION

Our Market

Indoor and outdoor athletic game courts with an asphalt or concrete base for schools, parks, recreation centers, clubs, and other public and private facilities.

Our Strength

- CrafcO gained over 75 years of expertise in athletic surface coatings with the addition of Copeland Coating to the CrafcO family.
- The staff's dedication to quality and customer satisfaction combined with CrafcO's 45 years of successful manufacturing, engineering and innovation provides the winning combination for your athletic surface needs.

Our Courts

World-class surfaces require precision, experience and a high attention to detail. At CrafcO our courts:

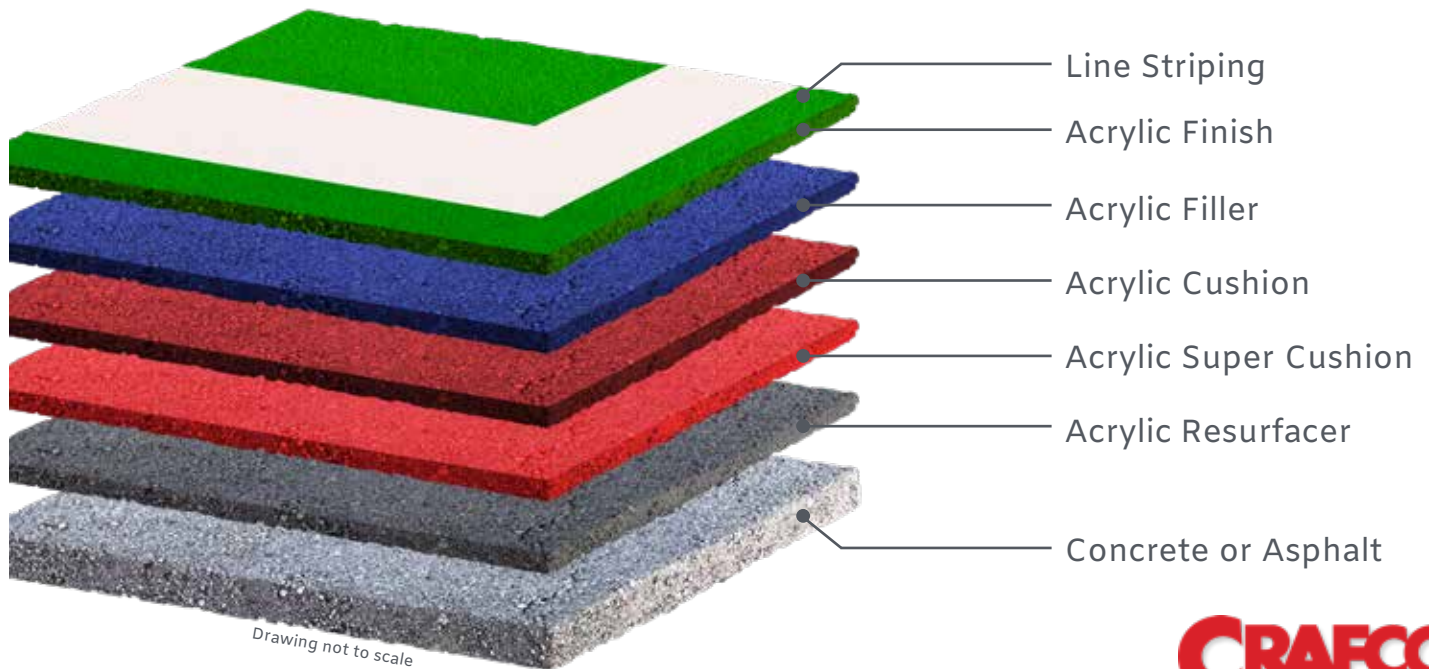

- Provide a variety of court compositions that meet all needs and specifications
- Adhere to stringent QA/QC guidelines, performed by our expert, in-house team
- Are responsive and adhere to critical shock absorption and traction standards, helping to improve play and reduce injuries.

Our Court Systems

We provide multiple types of sport court systems that can be customized to meet your needs. They are formulated with 100% acrylic emulsions and resins, mineral fillers and UV stabilized color-fast pigments

Type of Sport Court System	Acrylic Resurfacer	Acrylic Super Cushion	Acrylic Cushion	Acrylic Filler	Acrylic Finish	Line Striping
Action Pave® Acrylic Court Designed for speed across all court types.	2	None	None	2	None	Yes
Action Pave® Acrylic Cushion Court Good value for having resiliency and a shock absorbing surface.	1	None	3	2	1	Yes
Action Pave® Acrylic Super Cushion Championship caliber resiliency with an enhanced shock absorbing surface.	1	3	2	2	1	Yes
Action Pave® Custom Designed Court For those who have specific needs.	Specifications can be modified to meet specific requirements or budget.					

The image below illustrates the various component layers that may be incorporated into the surface depending upon which Action Pave System is selected.
